

NCHS BAND BOARD 2021-2022

The NCHS Band Board meets at NCHS on the **3rd Monday of the month at 7pm in the main band room, #54**, connected to Mr. Carter's office, or over Zoom. We welcome any and all parents/guardians to join us for a meeting. This board acts as the liaison between the parents/families and the director. They coordinate many activities including: all fundraising, Senior recognition, 8th grade night, communication, recruiting, and outreach. If you have questions about any aspect of the band program please contact the appropriate board members listed below.

It is crucial that we work together to support the director in creating a healthy band program at NCHS and that we fundraise for items such as: sheet music, instrument repair/purchase, and additional opportunities for our students throughout the school year.
